## Vehicle colouring book pdf

UPDATE: We've added a few more batches of coloring pages for the roundup, below. A lot of people are stuck at home right now and you can only look at the screen for so long before your eyes start to get tired. Automakers and artists come to the rescue by releasing free coloring books that people can print out. Gallery: Automotive Coloring Pages 74 Photos Some of the images in our gallery below trim the original photos or reduce their resolution. So there is a link to the source in each section of the text. Abimelec Design Rendering artist Abimelec Design has released several coloring pages that show some of his interesting creations, like the six-wheeled Lamborghini LM002, the reduced Lincoln wagon, and his Mashup body Fox Ford Mustang and Ferrari F40. Audi Audi has released a 13-page coloring book in the form of a PDF, which can be printed. The pages include a few shots from the R8, some of the brand's current crossovers, the rally car quattro, and the classic tourist car Horch. Callum Designs After jaguar's departure, Ian Callum has created a new design studio. His first project is the Aston Martin Vanquish 25, which aims to upgrade the model from 2001 to modern standards. As part of the coloring competition, the company also has three bizarre images showing a car with a modern home, a smiling moon and an elephant. Chevrolet There's a lot of love for the new Chevy Corvette C8, and Bowtie makes it easy to celebrate America's sports car by releasing a six-page coloring car. There is even one for the C8. R racing car. Chevy has updated its Pinterest page to offer coloring book pages for vehicles other than the Corvette. Latest photo additions Silverado and Silverado HD. Ford Ford has released six pages, including a connect-point puzzle for the Mustang. That's where you can find them all. Jonsibal Artist Jonsibal has put eight images on his Facebook page. He also collaborated with ten other artists to release a whole batch of coloring pages on Google.com.p. His drawings are the only ones that are related to the car, but if you are stuck at home, they should still be a good way to spend some time. Lexus Lexus offers people the opportunity to color images of their car halo LC. There are pictures of the great tourer in his racing uniform and as a street-legal machine. Mercedes-Benz Mercedes-Benz has released a massive collection of images for you color. There's a 29-page coloring book that is available as a PDF file that includes a variety of classic and modern brand machines. There are also 49 design sketches that don't have the same detail, but still provide options to explore your creativity. Morgan Morgan development engineer James Waller is working on a children's book about the long-lived British carmaker. He allowed the company four of his sketches as a coloring book. They depict a modern Morgan Tri-Wheeler, Plus Six, a workshop with unfinished vehicles, and transporter towing models of models Nissan Nissan has 23 coloring models of its models, and the subjects ran the gamut of the company's history. Whether it's the recent Ariya concept or the classic Datsun 510 is more your style, that is what to choose in this collection. Will Pierce Artist Will Pierce paints all kinds of mechanical things from cars to robots and usually uses a deformed style that makes the machines look like they belong in the cartoon. To keep people entertained at home, he has released two full coloring books that have focused on group 4 and Group B rally cars since the 1980s. He also put out a number of other images ranging from Porsche racing cars to raised Suzuki Jimny. You can download it all from his Dropbox links.
